I am very much happy to join Kathmandu Institute of Hospitality Management for one year diploma in hotel management. Just working hard is not sufficient to taste the flavor of success, you need a better Place like Kathmandu Institute Of Hospitality Management Which has incredible friendly & Learning environment. In hospitality field we need sufficient theory and practical Knowledge and this college provide us such a high standard education.

SUDAN BISTA

The sound academic & professional environment and excellent learning opportunities supported by management & teachers have taught me to be more responsible for pursuing my studies. So the emotions always survived in my heart and it helped me to get an opportunity to do internship in Ramada Hotel Sanya China. I am sure that my industrial training in this Chain Hotel will help me to achieve my goal in Hospitality Industry tomorrow.
